Lions Club Picnic Is Sunday

Maxwell Street Days To Begin

Antioch and its surrounding communities are getting ready for one of those big summer weekends so typical of these parts.

The climax is Sunday, from 11 a.m. to 6 p.m., when the Lions Club holds its annual Farmer's Picnic, Chicken Bar-B-Que and Auction at Williams Park.

Chicken dinners will be sold starting at 11, and there will be games, races and prizes for children from 1:15 to 5 p.m.

The auction, directed by Herman Behm, annually attracts a huge crowd. The Lions Club donates the proceeds to the Antioch Rescue Squad.

See the advertisement on page 19 for some of the interesting auction items to be offered.

SHOPPERS WILL flock to Antioch's downtown on Thursday, Friday and Saturday to see the bargains offered during Maxwell Street Days, sponsored by the Antioch Chamber of Commerce and Industry.

The sidewalk sales and other

fun are among the village's highlights every year.

Participating merchants are listed in an advertisement on page 9. Be sure to see the special ads placed by various businessmen on other pages of today's Antioch News.

The Jaycees will be operating a "dunk tank" at the Limerick

Lounge. More information on that attraction also appears inside.

AS IF THAT weren't enough, the Lake County Fair begins today (Wednesday) and lasts through Sunday at the fairgrounds in Grayslake.

Highlights include the 8:30 p.m. crowning of Miss Lake County Fair Queen tonight; town and country music at 7:30 and 9:30 p.m. Thursday, and a professional rodeo on Friday at 8 p.m.

The sale of livestock champions begins at 1 p.m. Saturday and another rodeo will be held at 8 p.m.

On Sunday the tractor pulling contests begin at 12 noon and an automobile demolition derby is scheduled at 7:30 p.m.

The midway opens at 12:30 p.m. on Wednesday and Thursday and at 12 noon on Friday, Saturday and Sunday.

THE REDCOATS ARE COMING - A mock Revolutionary War battle will be one of the highlights of Sunday's Lions Club picnic at Williams Park. This group of soldiers, authentically attired as the British were 200 years ago, will engage in "combat" with a similar group of American Minutemen at 4:30 p.m. near the Little League field. A picture of the Minutemen appears inside.

Re-Enact Battle Of 200 Years Ago

A mock Revolutionary War battle will be staged in Antioch Sunday.

It will be part of the fun at the annual Lions Club Farmer's Picnic at Williams Park.

The British Redcoats are scheduled to meet American Minutemen at 4:30 p.m. in the area of the Little League field.

THE MOCK battle was a highlight of a recent bicentennial event at Allendale School for Boys in Lake Villa. Bill Brook of Antioch saw it at Allendale and decided it would be an impressive addition to

Sunday's big picnic in Antioch.

The participants come from Chicago's south suburbs. The British are led by a man called Lt. Robert Gromberg, a historical buff who carries actual weapons used in the Revolutionary War and attires his men in authentic 1776 British uniforms.

Gromberg spent a lot of time

retracing the action of 200 years ago of King George's 4th Regiment Afoot and has patterned his group and its maneuvers after that infantry. The 4th Regiment Afoot fought in the battles of Lexington, Concord and Bunker Hill.

Equally authentic are the opponents, the American Minutemen headed by Ensign Jack

Schauer, president of the Will County historical society.

Their small canon is a Portuguese gun made in 1700.

Who wins the battle, the Redcoats or the American militia? The answer is, the people who show up to view the interesting performance.

Grade School District Picks Business Manager

Antioch Grade School District No. 34 has tentatively selected the man it wants to succeed retiring Sam Kohr as business manager.

He is James Fiore, 29, who has been business manager of a district of similar size in Northbrook, Ill.

Gail Heath, president of the

Antioch board, said Fiore "has all the expertise needed in his area." She said no contract has been signed yet, but the board has decided on Fiore and he has agreed to come to Antioch.

He probably would begin work in September.

PUBLICATION OF ASSESSMENT CHANGES RESULTING FROM HEARINGS BEFORE THE 1975 LAKE COUNTY BOARD OF REVIEW

PATTI LAPARR

Entertains at The Brave Bull

Patti La Parr, who has lived in Antioch all her life, provides entertainment at the organ on Saturday nights at Vince Patla's Brave Bull restaurant, just north of the village on Hy 83.

Patti graduated from Antioch High School in 1971 and began taking accordion lessons at age 7.

At 13 she started playing local engagements along with a girl drummer. She performed at the Shantytown in Trevor, Bob & Maggie's in Lake Villa and other establishments in the area.

Patti began playing the organ at age 15.

"I would like to make a part-time career of playing as I

enjoy playing out for people, but do not think I would like a professional career as a musician. It is somewhat difficult work with the late hours, etc., and not always the steadiest of jobs," Patti said.

During the week she works as an insurance secretary in Waukegan.

"Both my daily job and weekend job are very enjoyable; both put me in contact with the public," Patti said.

"During my early years playing out," she said, "I was fortunate enough to be asked to play at the Wrigley Estate and Morton Salt Estate in Lake Geneva, for the Commander at Great Lakes and have sat in with other musicians who played with big bands.

"I was also fortunate because several people took interest in my musical ability and gave the

opportunity for me to play at their places of business.

"I think the two people who helped me the most were my mother and father, who constantly were taking me to places where I might have the chance to play and always encouraged my music lessons and my playing for other people.

"They were also always there taking me to and from my accordion lessons for almost seven years.

"I have never had any formal music education on the organ; my parents bought me an organ at age 15 and I am practically self-taught on the instrument except for a few pointers from fellow organists," Patti said.

Some people say that putting a letter in a friend's left hand will end the friendship.

CRAIG SHEEDLO

Top AWANA Award Earned

Craig Sheedlo, who will be a 6th grader at Emmons school in the fall, has received the AWANA club's "Timothy Trophy."

AWANA stands for "Approved Workmen Are Not Ashamed" and has groups in many area churches.

To win the award a member of AWANA must earn 124 points by completing three handbooks, which consist of ranks, sword drills, crafts, club meetings, Sunday school attendance and good sportsmanship over a three-year period.

The Timothy award is the highest a member of AWANA can earn for three years of club work.

Craig is a member of the Fox Lake Baptist church AWANA club.

CLC NEWS

The College of Lake County has appointed Donald W. Perrilles to the position of director of bands.

Perrilles is a graduate of Bradley University, where he earned a B.A. in music theory and composition in 1970 and an M.A. in music education in 1972. He also studied at the Berklee College of Music in Boston.

He brings to CLC six years teaching experience in instrumental music. Prior to his new position, he was assistant director of bands, director of the Jazz Ensemble, conductor of the Concert Winds, and instructor of percussion and jazz improvisation at Bradley.

THE COLLEGE of Lake County is offering two non-credit handcraft classes entitled "Non-Loom Weaving" and "Macrame" during the 1976 fall semester.

"Macrame" will be held on Friday evenings from 7 to 10 p.m. The class will run for eight weeks starting Sept. 24 through Nov. 12. The fee includes all materials needed to complete several projects.

"Non-Loom Weaving" will be held on Saturday mornings from 9 a.m. to 12 noon for eight weeks beginning Sept. 25 and continuing through Nov. 13. The \$25 fee includes the weaving frame and beginning materials.

Instructor for both classes is Carolyn Sue Tveras of Round Lake Beach.

Telephone registration began this week.

On-campus registration will be held Aug. 16-19. The college's fall semester starts Monday, Aug. 23.

It should not, but probably would, astound most members of the Senate to find out what actually happens to the intent we write into major legislation when it gets into the hands of the bureaucrats. Much of our purpose in enacting laws has been either contradicted, overruled, diluted, or denied in many instances by quasi-judicial rulings by government regulatory agencies, federal enforcement policies, or by the courts. We seem almost complacent in our belief that (1) the people who handle the provisions of the laws we pass will understand the motivation and the intent of the Congress which passed them, and (2) where this intent is understood it will be followed without question. I

think we all have seen enough examples to realize how far from the actual intent of Congress government bureaucrats have strayed in the administration of the laws — either by design or mistake.

FOR EXAMPLE, take our latest government program, the Environmental Protection Agency, which was instituted in 1970. The bureaucrats in this agency are interested in clean air, pure water, and so on.

I wish them the greatest luck in their current and future endeavors, for there can be no doubt that the American people have misused their most precious heritage, nature, and pollution is becoming a problem of monumental proportions.

I believe there was a need for the Environmental Protection Agency and the Clean Air Act it was given to enforce. But having been there when the original proposals were debated and voted upon, I can assure you that the people operating EPA are going far beyond the intent of either the Congress or the president in the way they have started to implement their responsibilities.

NEVER FOR one second was it considered that the EPA should control land use throughout the nation and direct the future growth of communities already in existence. Yet this is exactly what it is doing in many areas of the country that attract large crowds in cars which, in turn, have an effect upon the atmosphere.

Complaints about EPA's regulations and directives are beginning to flood the Administration from all parts of the country. The complainants stress that while they want clean air and will go to great extremes to guarantee it, they nevertheless want it understood that they did not surrender all their planning authority to the Washington bureaucrats when the EPA bill was actually signed.

As one Texas official put it, "When you tell people where they can build parking lots, sports stadiums, and housing

EDITORIAL COMMENT

'Drugs Anonymous' Is Enormously Important

The new "Drugs Anonymous" group meeting in Antioch on Wednesday nights is an important step toward helping people.

The group meets at 8 p.m., using the back entrance of the United Methodist church building. Persons who have abused drugs, or been abused by them, are trying to help others who are getting caught in that tangled web.

If you are one of them, you are welcome, and it may be your salvation. You'll find people who have walked through the same hell, and they merely want to help you find the way out.

Drug abuse is still on the rise, increasing in young people. The use of marijuana has tripled since 1970, the use of barbiturates and amphetamines has doubled. Heroin trends are much more difficult to identify, but there's a definite slow increase.

"Legal or illegal drug abusers make up probably two to three percent of the population. That's four to five million people, if you're not counting alcohol. If you count alcohol, it's about 13 million.

One of the basic problems of the drug dependent person is that he has no reference group, no access to other human beings for healthy purposes.

Usually, the drug addict literally will have no place to go where there's not someone proffering drugs to him or criminal activity. So in order to socialize, he has to be around where the temptation is.

That's a very unhealthy situation. If some kind of alternate social grouping is available, that is enormously important.

Motorcycles Most Dangerous in the Rider's First Year

July 23, 1976, Chicago, Ill. —

"...killed when a motorcycle on which she was riding overturned."

"...was thrown from his motorcycle" onto an express-way..."

"...whose motorcycle collided with a car..."

"...whose motorcycle collided with a car..."

"...as he tried to escape a motorcycle gang..."

THESE ARE NEWS ACCOUNTS of people killed in the Chicago area in July 4 accidents this year. Of 14 holiday deaths reported, five were motorcycle involved. That's a bit frightening.

The number of motorcycles and motorscooters owned in this country has increased from one-half million in 1960 to nearly five million in 1974.

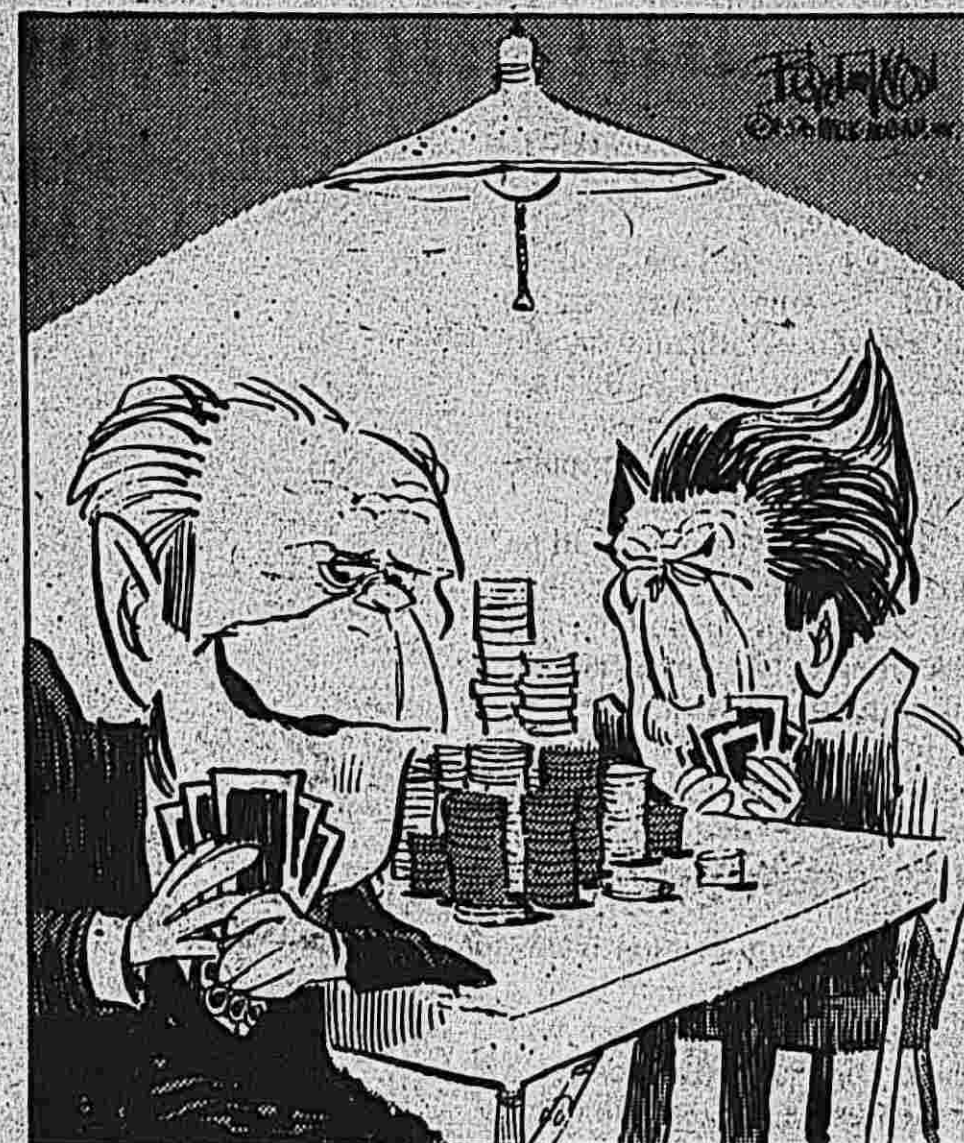

The number of deaths, therefore, by motorcycle accident also has increased, from 731 in 1960 to 3,160 in 1974. And last year, 360,000 motorcycles were involved in accidents, with an estimated 2,800 persons killed.

Studies show that most motorcycle fatalities occur among young and inexperienced riders. The first year of riding a motorcycle is the most dangerous.

IN ILLINOIS, A PERSON is required to have a license to operate a motorcycle. A written, eye and performance test is required. For the big bikes (over 150cc), he must be 18 years or older. (With a learner's permit (driver's education license) he can be classified to operate a smaller motorcycle (under 150cc) at the age of 16.)

The most important thing is training. Many people who pass the motorcycle license test have not had adequate or proper training to operate motorcycles safely.

Another important thing is wearing adequate protective clothing and headgear. Many motorcyclists don't. And many lose their lives or are more seriously injured in accidents because they don't.

The Time Machine

50 YEARS AGO: JULY 29, 1926

Deputy Sheriff William Rosing received a call from Silver Lake that a young man had jumped a freight train headed south and the man was wanted in Kenosha county in connection with a robbery of money from a lady in Lake Geneva. The message said the train would meet another freight in Antioch and the deputy would have a chance to do his stuff.

Deputy Rosing at once proceeded to the Soo Line depot with a gun in his hand and, as he went down Main Street, called to different ones to assist him. About 15 gathered at the depot, loaded to the teeth. As the train slowed up at the depot, the deputy and four citizens got into the cubboozle explaining their mission, and the brakeman said the train would stop in Lake Villa. The rest of the men proceeded to Lake Villa in cars. The man was captured and brought to Antioch and given a lodging in the village bastille.

The lady who was robbed came to Antioch, but said it was not the man, but surely was a close resemblance. The young fellow was then released. The man wanted was out on bail for a big robbery in Chicago, stealing nine diamond rings. He wore a straw hat and a blue suit, and had a couple of front teeth out.

20 YEARS AGO: July 26, 1956

The Lake County fair opened today at its new and permanent home on Rte. 45 north of Rte. 120, east of Grayslake. Two permanent animal shelters have been built, but the rest of the exhibits will be in tents. By next year an administration building and more exhibit buildings will be constructed.

Through the cooperation of a variety of Antioch individuals and businesses, the village park now boasts a tennis court. The new court is adjacent to the pool and is free and open to everyone.

Lake Villa Board Meets

The regular meeting of the board of education of the Lake Villa Community Consolidated School District will be held at 8 p.m. Thursday at Pleviak school.

A public hearing on the district's proposed budget will be held at 7 o'clock, prior to the meeting. Then the finance committee will convene at 7:30.

Lake Villa Mayor Questions Site of Township Library

By JOHN KREROWICZ

Controversy over the Lindenhurst site for the proposed Lake Villa Township Library continues as Mayor Ted Nielsen searches for a more centrally-located land offer.

The Lindenhurst land grant, next to the village hall, was accepted during the June library board meeting after a four year search through 10 possible locations, according to Board President Anthony Leis-

ner and Library Director Barb Konitzer.

Mayor Nielsen told the Antioch News he was instructed by the library board in July to pursue a possible site located in Lake Villa, but now, Leisner asserts, they are committed to the Lindenhurst site.

"THE BOARD is not giving the people any time to get another site" before the Sept. 18 \$750,000 bond referendum, Nielsen said. He added that the library should be located to

service the township's 12,000 people and not just the approximate third in Lindenhurst.

"We would consider the Lake Villa site if the mayor could get it," Konitzer told the Antioch News.

Soil tests on the board's first choice, land from John Gridley, revealed a peat bog which rendered the site unbuildable.

"It would also require a two-story building at an additional \$80,000 to \$100,000 cost," Konitzer said.

"We've operated for four

years on promises that something is coming tomorrow," Leisner stated. "Only one bona fide written offer has come in: the one from Lindenhurst. All the rest is talk."

"No other site could match the financial advantages" of the Lindenhurst site, Leisner continued, listing: shared parking facilities with the hall that could save \$15,000; free snow plowing services by the city; and readily available sewer and water.

Leisner also said the Northern Illinois Planning Commission indicated no future major population changes in that area, so more people would have greater accessibility to the library, especially shoppers at

BOB DUBEK

Wins Air Force Scholarship

Robert D. Dubek of Rt. 2, Antioch, has been awarded an Air Force ROTC scholarship.

He will receive full tuition, books, fees and \$100 a month for four years at Kansas State University.

Dubek was selected by an air force board that screened 2,100 applicants. Only eight were selected.

When he receives his degree at Kansas State he will be commissioned a second lieutenant.

Dubek starred in three sports, cross-country, basketball and baseball, at Antioch High School. At Kansas State he plans to try out for the baseball team as a catcher.

County Fair's Meat Auction Is Saturday

"Quality meat for your freezer" is the pledge made by auction promoters for the 1976 Lake County Fair.

Bill Messerschmidt, 4-H adviser, said buyers again are certain of purchasing quality beef, pork and lamb.

This year's auction is Saturday at 1 p.m. at the Lake County Fairgrounds in Grayslake. The fair lasts from Wednesday through Sunday.

The 1975 buyers at the auction came from all areas of the

county, such as the State Bank of Antioch, Thelen Ready Mix and Sand & Gravel of Antioch, and Nielsen Enterprises, Lake Villa.

Other 1975 buyers included the First National Bank of Antioch, Pedersen Brothers Implement Company, Antioch, and Gerry Vander Meer, representing the Lake County Farm Bureau.

Additional past buyers are Don Pittman Pontiac, Antioch, and Ed Strang Funeral Home, Antioch.

ACHS Courts To Be Closed For a Few Days

Antioch High School will be re-sealing its back parking lot soon. The high school's tennis courts will be closed while the work is being done.

Business Manager Ken Wierschem said he expects the re-sealing to be done sometime between next Monday, Aug. 2, and Aug. 16. The project will take only a couple of days, he said.

During whichever days the work is done, barricades will be set up and the high school will be asking players not to use the tennis courts.

"If you bow at all, bow low," Chinese proverb.

FURNITURE CLINIC

By JANET MILLER

There were so many questions sent in this past week that I hardly know where to begin!

Actually, I think everyone must have been so busy beginning their linseed oil finishes, that they didn't have time to write, because there wasn't even one letter for me. (Panic is an empty mailbox!)

So, while absorbed in thought, my daughter has pulled out all of my typewriter ribbon and I am jarred from my deep concentration as the TV tray my typewriter is setting on goes crashing to the floor! (It seems one of the legs of the tray was through one of the sleeves of an undershirt that my thoughtful toddler decided to put in the hamper after ignoring it all afternoon!) I wonder if Ann Landers started this way?

ANYWAY, AFTER all of this, I suppose we should get on with it.

This is the time of year when almost everyone enjoys being outside, having fun or just

relaxing. Like our skin and hair, wooden outdoor furniture should be protected by the ravages of sun, humidity and basic abuse. The easiest way to do this is to give them all (chairs, picnic tables, etc.) a generous coat of some kind of penetrating oil finish.

The advantages to this are: you wipe them on, they dry comparatively quicker in "muggy" weather, they sink into the wood so that minor scratches don't affect the sealing properties of the finish and, finally, you should only have to coat them every three or four years (depending on

what kind of exposure they are receiving from season to season).

Tung oil is a penetrating oil "type" finish. It is relatively new to the United States, as we have only had it for the last 25 to 30 years. You may be thinking that is a long time; however, when you consider that it was used in building the Great Wall of China, 30 years is not long at all.

And when you stop to think about how long the Great Wall of China has been around, you can be somewhat assured that your outdoor furniture will last more than a season or two without needing a facelift!

HOWEVER, IF your furniture has been painted year after year, a penetrating oil finish won't be able to penetrate through the paint. So you will be destined to freshen the finish year after year. If this idea doesn't exactly intrigue you, refer back to my very first article.

As you can see, I really depend on you for subject material, so please help me out. Send questions, furniture hints, and general remarks to Furniture Clinic in care of the Antioch News, P.O. Box S, Antioch, Illinois 60002. Or you will be reading a lot of unrelated "meanderings" laced with the trivia of my disorganized home-life. Thanks a lot!

Goldwater

complexes, you are controlling the land use." In many parts of the country representatives of the construction industry argue that EPA regulations will destroy them.

On the other hand, the Clean Air officials argue that unless their regulations are followed, there will be no responsible urban planning; we'll have nothing but an urban sprawl and a continuing dependence upon pollution-producing automobiles.

REGARDLESS OF the end results, we have here a situation where Congress enacts a law to protect the environment and a collection of bureaucrats who were never elected to any kind

of official post take that law and interpret it in a way that can make them virtual czars over large segments of the nation's economy. For my part, I don't give a hoot whether in some future year an urban sprawl and continued dependence upon automobiles develop. But right here and now I do give a damn whether the laws I helped to enact are carried out according to legislative intention, which, supposedly, is what the American people wanted, if our form of a democratic republic means anything.

Luncheon Planned

St. Peter's Women's Club is planning its annual Salad Bar Luncheon.

The lunch will be held at 12 noon on Aug. 14, a Saturday, at the social center of St. Peter's school.

Tickets will be on sale at the church rectory and from members. Ticket chairman is Dorothy Purfeerst and her number is 395-2079. The price is \$3.

DELICIOUS CHICKENS for the Antioch Lions Club's annual Farmer's Picnic, Bar-B-Que and Auction are being prepared by Joe Patrovsky of the Antioch Packing House. The event will be held Sunday from 11 a.m. to 6 p.m. at Williams Park. (See story and advertisement elsewhere in today's Antioch News.)

Lindenhurst Library Site Questioned

Continued from page 8

Linden Plaza.

"IF THE Lindenhurst site is pursued," Mayor Nielsen claimed, "We're going out for every (negative) vote to defeat the referendum because I don't feel (that site) is to the public's benefit."

Nielsen added he did realize the township needed a new library and that the library board and staff had done a commendable job.

Ron Coles, township supervisor, supports Nielsen saying, "Every effort should be made to keep the library centrally-located. People forget about ... subdivisions west of Rt. 83 that are a part of the township."

"If worse comes to worse, I, as an individual, feel the town board could find some room for the library," Coles concluded.

The mayor feels the Lake Villa site he is pursuing matches all advantages of the Lindenhurst site, "So are they (the library board) having a three-quarter of a million dollar referendum on a snow plow offer?"

IN RESPONSE to Nielsen's claim that area schools would be at a disadvantage with an easternly-located library, Leisner says he doesn't "know where the tie-in is. High school students are our most prolific school users, and we service four high schools, none of which are in Lake Villa township."

District 41 Superintendent Peter Palombi told the Antioch News a library within Lake Villa's boundaries would service the greater part of the students.

"With tight public financing ... the library and school could supplement each other's facilities," Palombi continued. No exact figures were given, but he said the present library gets "quite a bit of use" from school field trips.

IN ADDITION to the bond question, the referendum will also ask for a levy to cover operating costs for the library. What homeowners will owe in taxes if the referendum is passed will be decided at the August library board meeting.

Asked what the board will do if the referendum fails, Leisner replied, "We don't foresee that, but if so, it's back to the drawing board."

Leisner wants it known that

the question of operating costs is due to increased library use, and not because a new building

Lakeside Member Presents Program

By SHERENE JONES

Lakeside Rebekah Lodge members attended District Officers' Night at Highland Park. Guest speaker for the evening was Clare Horton, district recording secretary and a member of Lakeside.

Her program included our country's symbol, the eagle, the Betsy Ross flag, as well as the "Lamp of Knowledge" and the Declaration of Independence.

She was assisted by other members of Lakeside. It was a very lovely program.

On July 21, Lakeside entertained past noble grands, noble grands and vice grands.

A "Silent Auction" was included in the program, with a salad buffet after the meeting.

On July 24 members attended the "Oddfellow and Rebekah state fair in Lincoln, Ill. This event is supported by all members in the state.

The proceeds of the fair will

pate only one more staff member will be needed."

Reasons for the need of a new library include: 70 percent of the township's people are registered borrowers; exhausted capacity for book shelves (the restroom is presently used to store reading materials), seating for only six people, and no parking or handicapped facilities.

"We are operating, physically, in less than one-fifth the minimum size allowed by the Illinois Library Association," Leisner added.

The new library has been designed to "have as near to zero environmental impact as possible," Leisner said, by using passive solar heating and a land-banked outside wall to cut heating costs from conventional systems by one-third.

be put into the building fund for the new "Oddfellow and Rebekah retirement home and 120-bed dispensary, scheduled for completion in late 1977. The next meeting, Aug. 4, will be elected-officer's night. Formals are to be worn if possible.

District 34 Meets Aug. 10 and Aug. 26

Continued from page 1

A SEVENTH member of the board is still being sought. LaVerne M. Woods, president of the First National Bank of Antioch, has resigned. The man picked to replace him was Richard Harland, who decided he couldn't assume the responsibility because of other activities.

Mrs. Heath said the board might decide on a new candidate at its special meeting next Tuesday at 8 p.m. That will be a meeting designed mostly to finalize the budget.

Renovating of the Lower Grade School on Main St. is expected to take place this fall and winter during the school year. The board also has decided to put a new boiler in the old Channel Lake school, to keep that building open for at least another year.

REGULAR BOARD meetings are scheduled at 8 p.m. on Tuesday, Aug. 10, and Thursday, Aug. 26.

The board will return to 7:30 p.m. meetings in September.

Golf League in Homestretch

The State Bank of Antioch women's golf league is going strong as it enters the stretch of its golf season, which ends on Aug. 17.

To top it off, a Golf Fun Day is planned for Aug. 31.

This year the league has held a special event each week to make the game more interesting. For instance, on July 6 Louise Santino won the prize for lowest putts (12), and Angela Maras received a prize for highest putts (22) on July 20.

The league plays at Antioch Country Club on Tuesdays.

Standings as of July 20 (best in each class):

A. Nancy Berchtold, 11½ points; B. Jean Karas, 10½ points; Dorothy Teister, 10½ points; C. Lorraine Severson, 10 points; D. Etta Bergl, 11 points.

'Ice House' Aids Party

Chicago (NFS) - New for the summer of '76 is the "ice-house," a sleekly contoured 11-quart capacity ice bucket molded of tough, high-density polyethylene in dashing apricot color by the Republic Molding Corporation, Chicago.

A natural for indoor-outdoor entertaining, it's an ideal gift for a bride, weekend hostess, or housewarming party.

The "icehouse" priced at \$7.98, has a sturdy black contoured handle, domed cover with recessed knob, and non-marring base. Insulated with a white expanded styrene liner, it holds a 20-pound bag of party cubes and doubles handily as a wine or champagne cooler. Bucket measures 11½ inches in diameter, 13½ inches high overall.

The "icehouse" is available in hardware, housewares, and department stores.

ENTERTAINING PERSONS attending Sunday's Lions Club picnic at Williams Park will be this historically-attired group of American

Minutemen. Their mock battle begins at 4:30 p.m. and should be of interest to young and old. Another picture and story on page 1.

New Seats Add Comfort to PM&L Theatre

PM&L Theatre in Antioch has new seats.

Nobody knows exactly how old the old seats were, but they were gradually disintegrating. When PM&L was able to buy Racine Theatre's used (but in good condition) seats, it jumped at the chance.

New plywood went down over the old floor, which was painted. Then truckloads of new seats arrived and were being installed before the summer musical, "Pajama Game," opens this weekend.

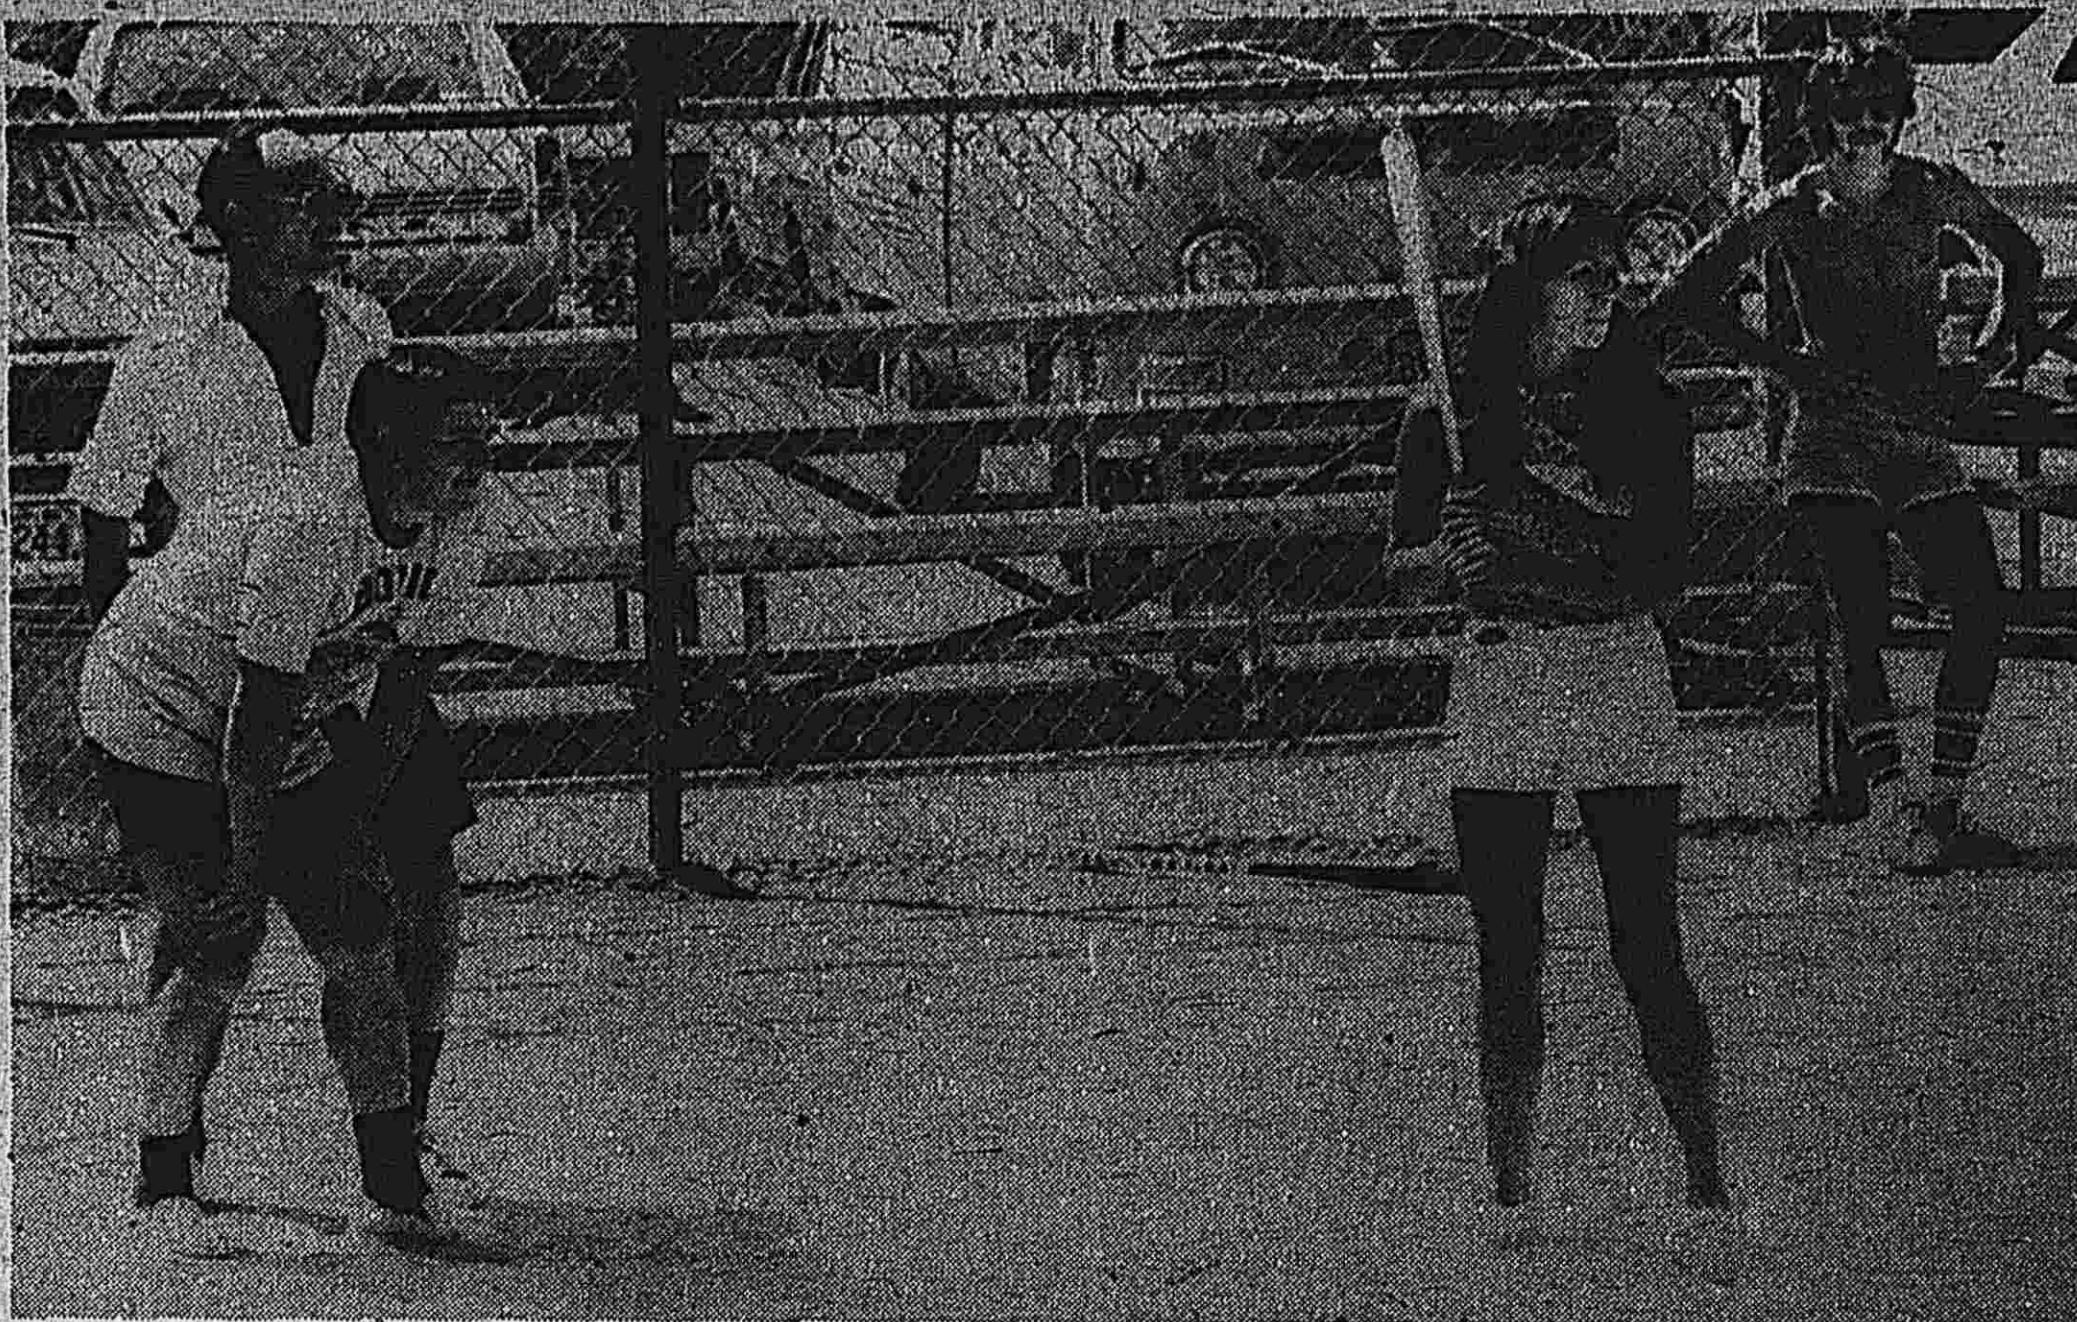

PM&L President Aileen Biel led the project with help from both men and women of the PM&L "family."

U.S. CAR

The average car in the United States travels about 10,000 miles in a year, consuming more than 700 gallons of gasoline.

LEFT-HANDED

Most cats are left-pawed. Dogs, mice, chipmunks, and chimpanzees are about evenly divided. Even some climbing plants have a tendency to twine to the left instead of the right.

EVEN THE GIRLS were allowed to play in Sunday's softball classic here between Pickard China and Expanda-Foam Inc. The batter is Francine Rehm and the umpire is "Honest Dale" Frasch, whose eyesight has seldom been

questioned when it comes to balls, strikes, safes, outs and pretty girls. Frasch interrupted the game only once to find out which dugout was dispensing the cold beer.

Courage Is—Knowing what not to fear.

POWER HELPED Pickard China beat Expanda-Foam 21-9, or something like that. Here, John Hedberg prepares to take a lusty cut at a tempting pitch.

Spending Bicentennial In New Guinea Makes One Appreciate America

By BETSY ROSSEN

Editor's note: Betsy Rossen's byline is familiar to readers of the Antioch News because she worked for us the past two summers. Miss Rossen graduated from Purdue University in the spring and is spending this summer in New Guinea, working on publications for Wycliffe Bible Translators.

BETSY ROSSEN

PAPUA, New Guinea - Do you think you've heard the last of the bicentennial celebration? Please excuse this, but I'd like to add my thoughts on the event and the nation.

Due to my name and upbringing, interest in historical matters has always been more than just sew-sew with me. (Betsy Ross, wherever you are, forgive the pun.)

One of my first thoughts as a high school graduate in 1972 was, "How neat; I'll graduate from college in 1976. I wonder if our country will do anything special for its 200th birthday..." Oh, what an understatement!

Patriotism came this past year in all sizes and styles: I even heard that Andy Williams ordered lovely red, white and blue dentures (diamond-studded).

In the midst of the hoopla, I found myself at the farthest possible point from my homeland, on the big day, July 4, sadness touched me. It was soon replaced, however, by the thought that my appreciation for the day would probably increase with distance.

Papua, New Guinea, is my present location, where I'm working on publications for Wycliffe Bible Translators. I live on a base in the Eastern Highlands, but right now I'm working with a translation team in a village near Wau.

WHAT WAS the holiday like in a country whose own independence is a mere 10 months old? Our "celebration" began 15 hours before yours, but we

tried to think of what the folks back home were doing. A picnic in the town park, reminiscent of its U.S. counterpart, was the main event for me and my friends here, but the real attention-grabber was the overseas radio.

Stateside parade-goers had hours yet to sleep when we sat down to supper. Scanning the shortwave, all we could find of an American flavor was a Dutch station with a short tribute for the occasion. "America the Beautiful" - were my eyes actually getting misty? A reading of the "Star Spangled Banner" by Everett M. Dirksen followed. No parades, no cherry bombs, no banners. Just pride in a country founded on God's standards, tempered with concern for faithfulness to those ideals.

Morning in New Guinea corresponds to the preceding evening in the U.S., so we tuned in Voice of America July 5, straining to hear a fire cracker - or at least a report of one. Eagerly we listened, standing around the kerosene refrigerator, to hear about Operation Sail, President Ford's Independence Hall speech, and bells pealing nationwide. We grinned, imagining it all.

NEWS FOLLOWED the 30-minute bicentennial report. How timely was the headline story: Russia's East Berlin conference on communism.

My motto is not "My country, right or wrong," and I frankly am afraid of such blindness to unrighteousness. But blindness to opportunity and blessing distresses me as well.

Before coming here, I had rarely thought about malaria, lice, or malnutrition: such afflictions seemed continents away. But here the shivering

shoulders, itchy heads and swollen stomachs bring me to my senses every day. And to my knees.

Independence Day was on a Sunday this year. The Declaration of Independence signers placed "a firm reliance on Divine Providence." Our currency asserts, "In God We Trust." Think about it, and check out 2 Chronicles 7:14.

OUR FLAG

Historical Highlights

HEAVEN AND LIGHT

The star is a symbol of the heavens and the divine goal to which man has aspired from time immemorial; the stripe is symbolic of the rays of light emanating from

the sun, according to the U.S. Marine Corps Reserve. Both themes have long been represented on the standards of nations, from the banners of the astral worshippers of ancient Egypt and Babylon to the 12-starred flag of the Spanish Conquistadors under Cortez. Continuing in favor, they spread to the striped standards of Holland and the West India Company in the 17th century and to the present patterns of stars and stripes on the flags of several nations of Europe, Asia, and the Americas.

THE ENTERTAINER

PM&L's 'Pajama Game' Opens Friday Night

PM&L's summer musical, "The Pajama Game," will have its first performance this Friday night at the PM&L Theater, 877 Main St. in Antioch.

Of the five subsequent performances, two will be later this weekend, on Saturday and

Sunday, and the remaining three are set for Friday, Saturday and Sunday of the following weekend, Aug. 6, 7 and 8.

The curtain time for all shows is 8:30 p.m.

"The Pajama Game" is a

well-established musical hit. It ran for 1,063 consecutive performances in New York before being made into the Hollywood movie starring Doris Day.

The secret of the show's widespread popularity is not hard to find. The production

combines comedy, love interest and a variety of imaginative and zestful musical numbers. Many of the numbers are attractively and spectacularly choreographed.

Some of the more exciting and well-executed dancing in the show takes place in such proven musical hits as "The Pajama Game," "Once-a-Year-Day," "Racing with the Clock," "I'll Never Be Jealous Again," "Steam Heat," "7½ Cents," and the perennially popular "Hernando's Hideaway."

around a titanic labor dispute in a pajama factory.

The management's representative (played by Lou Jones in the PM&L production) falls in love with the head of the union's grievance committee (Mary Lou Davies).

This situation is made even more complicated by intrigue between an efficiency expert with a fiery temper (Adam Weise) and Gladys (Susan Hale), the scatter-brained secretary to the boss (George Blanksten).

If the hectic struggle turns out

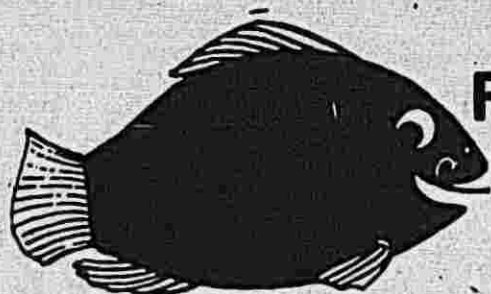

STRANGELY ENOUGH, the story of the show revolves

all right in the end, it is not because any of these characters does anything especially intelligent.

The PM&L production is directed by Pat Jamison, assisted by Mary Chris LaKome as music director and Elmarie Beno as stage manager.

Other cast members are Don Beveroth as the union's president; Suzee Elliott as Poopsie; Dee Baum, Mabel; Mary Brownell, Mae; Pam Guardi, Brenda; Bill Baum, Charlie, and Frank Di Marco as Max, the pajama salesman.

THE TALENTED cast also includes Todd Seisser, Randy Mortensen, Larry Bersie, Charlie Brown, Debbie Beno, Beth Schultz, Kathy Long, Ricky Apostol, Joyce Moore, Debbie Buechner, Roz Scheske and Betty Smouse.

The cast is a mixture of old-timers and newcomers to the PM&L stage.

The orchestra pit is populated by a lively instrumental group led from the piano by Tracy Teltz.

"A musical extravaganza of these proportions is expected to attract full houses. You may be well-advised to make your reservations early. Be sure to call 395-3055 for your reservation, so there will be enough seats for you and your party at The Pajama Game," said director Pat Jamison.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Romantic attachments stand a good chance of materializing into lasting relationship. Ideas are expansive and good planetary aspects prevail.

TAURUS [April 20-May 20] - Tend to pending domestic obligations that require your attentions; don't procrastinate about making decisions or moves. A good time to get going on that real estate project.

GEMINI [May 21-June 21] - Mental pursuits and ambitions can be realized now if time is properly utilized. Pleasure trips or other journeys is indicated. Use good planetary placements to broaden your horizons.

CANCER [June 22-July 21] - Many opportunities are on hand to increase prosperity but steer clear of get-rich-quick schemes. New investments deserve a down to earth and stable attitude.

LEO [July 22-August 21] - Give more thought and consideration to ambitions. Popularity is high now and others are generous in lending their time and effort to get your good ideas off to a good start.

VIRGO [August 22-September 22] - Deeds and activities should be centered around charitable interests and civic affairs now. Not a time to play the leading role.

LIBRA [September 23-October 21] - Gains may occur through acquaintances; don't miss the opportunity to meet new friends. Seek social activities that broaden interests and provide new associations.

SCORPIO [October 23-November 21] - A good chance for advancement through employment is evident but proper effort must be put forth. Activities tend to put you in the limelight.

SAGITTARIUS [November 22-December 20] - Favorable influences prevail for social interests and benefits through relatives are indicated. Because imagination is keen and alert for new studies a new project can succeed.

CAPRICORN [December 21-January 20] - Financial and business matters may require more of your attention this week. Examine papers and documents which pertain to partnership interests.

AQUARIUS [January 21-February 19] - Those close to you are inclined to show more affection and a willingness to share your duties and obligations. You can now build a meaningful relationship.

PISCES [February 20-March 20] - Be more meticulous about detail work; clearing up the loose ends effectively are a must now. As a stepped-up work pace is indicated be sure to maintain good health.

Wilmot Drivers Thrill Fans

Dave Bliss, Huntley, Ill., was one of the few drivers not called to the officials stand to receive a cake from his fans as the Kenosha County Speedway held its annual "Cake Night."

More than 100 cakes were presented to drivers, officials and even the wrecker crew drivers from Antioch Auto Center.

Bliss, however, got the most important cake of all as he won the 25-lap feature race and the lion's share of big payoff from the large crowd.

Champion Dick Colburn, Muskego, who had to rebuild his own car following a four car crash the previous night at the Lake Geneva Raceway, had been doubtful about how the car was going to handle on the dirt track. It handled well enough to win the third heat race over Jimmy Hedges, Kenosha.

LARRY HICKS, Lake Geneva put small tires on his Dodge Challenger late model stock car and raced for the second time

THE ANTIOCH Jaycees will help liven up Maxwell Street Days on Thursday, Friday and Saturday.

Their "dunk tank" at the Limerick Lounge is sure to be a super attraction.

Imagine hitting the target with a baseball and watching some of your best friends go

"splash" into the tank!

We hear Friday will be a particularly big day, with Mike Haley scheduled to sit in the tank from 2 to 3 p.m., Tom Homan from 3:30 to 4:30, Joe Huber from 4:30 to 5, and Bill Georges from 7 to 9 p.m. Now, there are four men of supreme courage.

The Jaycees' also have lined up a "mystery dunker" whose name they are keeping a secret.

On Thursday and Saturday some of the Jaycees themselves will be the "dunkers" and we hear that Sgt. Chuck Miller of the police department also will take his turn in the tank.

While you're watching your pals get wet, you can enjoy the Jaycees' corn roast, too.

HAVE YOU noticed Jimmy Carter isn't flashing that huge smile as often? All those political cartoons that made his smile look ridiculous, and all those references to his toothy

appearance, apparently made him decide to take on the Republicans with less flashes of his brilliant grin. We miss it already.

THE DEMOCRATIC candidate for governor didn't win any

friends in Antioch when he selected the 76 greatest men and women in Illinois history.

Mike Howlett didn't name a single person from this community.

He did pick some lesser lights, though ... people such as:

Jack Benny, George Rogers Clark, Clarence Darrow, William Jennings Bryan, Everett Dirksen, Walt Disney, Marshall Field, Ulysses Grant, Ernest Hemingway (from Oak Park), Marquette and Joliet, John L. Lewis, Dwight Moody (founder of the Moody Bible Institute), Cardinal George Mundelein, Carl Sandburg, Albert Spalding

(whom the baseballs are named after), Amos Alonzo Stagg, Adlai Stevenson II, A. Montgomery Ward, Frank Lloyd Wright and, a fellow named Abraham Lincoln.

I wasn't picked because you had to be dead to make the list, and the last time he checked my doctor said I was still living.

An airport is where you go to find out how late your flight is going to be.

A consensus is what occurs when everyone is afraid to differ.

Next Week or Next Month May be Too Late ...

Get them together now.

Someday you'll look back on today. You'll remember the family all together. And you'll be glad you took the time today to get the family together for a portrait.

MEL KENYON

Wilmot Hosts Midget Auto Racing Stars

When the USAC midgets make their initial appearance at the Kenosha County Speedway in Wilmot, Wis., on Saturday night, several Wisconsin drivers will be in the 40 or more car field, trying for positions in the 40-lap feature race.

Mel Kenyon, USAC champion in 1964-67-68-74, is scheduled to be in the field. He lives in Lebanon, Ind.

Former super-modified stock car driver, Eddie Loomis, Waukesha, will head the Wisconsin group in the Harry Turner midget car that has won several features in the past few seasons.

Turner is a former driver who still has the best-rated cars in the country.

Also entered will be Stan Fox, Janesville, in his own SESCO-powered midget and Paul Clark, Madison, in the Westgate Arco car.

These Badger state drivers will be facing top USAC midget and Indianapolis Speedway drivers. The group is headed by defending 1975 champion, Ron "Sleepy" Tripp, California, and the only four-time midget champion in history, Kenyon.

Time trials are at 7 with the first race at 8 o'clock.

The Speedway is at the Kenosha County Fairgrounds in Wilmot.

The grandstand seating capacity is 5,100.

with the All American late model sportsmen at the Lake Geneva Raceway on Sunday night. He emerged the 25-lap feature race winner.

Paul Brown, Wauconda, hit a spinning car in the second lap of the feature to crash into the infield and just missed the wrecker truck.

DAVE WATSON, Milton, Wisconsin late model stock car driver, continued a hot streak that has put him in the winner's circle for four straight nights in the 30-lap feature at the Lake Geneva Raceway on Saturday night. His earliest previous win was in Oregon, Wis., on Friday night.

A swim-suit bikini contest was held and, in keeping with "equal rights," one male was allowed to enter. However, the panel of all-male drivers selected Diane Yonke, Elkhorn, as the winner.

Montreal Is Atoning For Canada's Mistakes

By JODY PATROVSKY

(This is the fifth in a series of articles by Jody Patrovsky of "Antioch," who is covering the pageantry of the Olympic Games for the Antioch News.)

Montreal should receive a gold medal for its fantastic production of the Olympic Games.

No one would believe the efficiency and organization here. It is amazing.

What other problems Montreal has had are almost forgotten now. Everyone seems to be enveloped in the beauty of the city. The streets are brightly decorated with colorful banners and signs that show the way to the 11 different stadiums.

MOST OF the events have had their preliminaries away from the Olympic site. For example, the basketball preliminaries were held in a new, small stadium about two miles north of the Olympic park.

Now, the final games are being played in the Forum,

home of the Montreal Canadiens hockey team, which seats some 18,000 people.

The boxing, team handball and volleyball finals will also be in the Forum.

The Olympic park is really a spectacular sight. Waterfalls, flags and flowers surround this huge, modern complex, wel-

coming people to a special kind of world.

MORE OF CANADA's hospitality is revealed by its friendly staff members, who guide the spectators to the events if the many large signs aren't enough help.

All of the staff is uniformed in casual, colorful attire, which adds even more pizzazz to the atmosphere.

When Montreal's beauty and friendliness is mixed with the best athletes in the world, the only possible result is a successful Olympiad.

Bathtubs Switching To Plastic

Chicago (NFS) — In 1976, an estimated 40 per cent of the bathtubs installed in the country will be made of fiberglass or other plastics, according to Universal-Rundle Corporation, New Castle, Pa., a leading manufacturer of all types of bathroom fixtures.

In addition, increasing numbers of bathroom sinks are being made of fiberglass in colors to match fiberglass bathtub and shower units. Even toilet tanks are now being made of injection molded plastic.

ACCORDING TO Harold O. Staus, director of market research for Universal-Rundle, consumers are becoming increasingly attracted to the new reinforced plastic fixtures.

"From our surveys, we know people like their warmth, ease of cleaning, attractiveness and energy absorption," Staus said.

"If an elderly person falls in a fiberglass tub, for example, it will absorb some of the falling body's energy and partially cushion the fall.

"FURTHER, fiberglass tubs require less hot water for heating a bath. That's because reinforced plastic is a poor conductor of heat, which reduces heat loss for the room as well as the tub water.

"Finally," Staus concluded, "fiberglass is warmer to the touch, giving the bathroom an overall feeling of warmth."

Staus expects the strong trend to fiberglass and other plastics in the bath to continue.

DEADLINE FOR ENTRIES: THURSDAY, AUG. 12

Mail or bring entries to the Antioch Country Club, Route 59 and Grass Lake Road, or the Antioch News, 950 Main St., Antioch, Ill. 60002

No entry fees will be returned after Aug. 12.

Trophies and prizes will be awarded to the top finishers in each of the three classes. ★ Pairings will be made in foursomes, starting at 10 a.m. on each day. Pairings will be made at random for the first 18 holes, and according to scores for the final 18 holes.

United States Golf Association rules will apply, with the exception that winter rules will be allowed when playing from your own fairway.

The tournament committee includes Pres Reckers, Rich Higgins, Jack Fields, Mike Haley, Jerry Pfarr and Nick Marucci, the golf professional at Antioch Country Club.

GATHERED AROUND one of the prizes at the Democrats' golf banquet were (seated from left) Marquerite Albergo, Margaret ReCupido and Paula Albergo. The woman standing at the left is unidentified. The others are Henrietta Albergo, Father Francis Johnson of St. Peter's and Frank ReCupido, chairman of the event.

the Pfarr Corner

By JERRY PFARR

Antioch's merchants asked for enforcement of the downtown parking meters and, boy, they're getting it.

Yours truly was ticketed twice last week and has learned his lesson. We were happy to contribute \$2 to the police department's parking meter revenue and we're now using the parking lots, unless using those precious spaces in the business district is absolutely necessary.

We got our first ticket when a good friend noticed our meter had run out, and he immediately called the police department. We promised we wouldn't mention his name, but his initials are Mike Haley.

Chief Jack Wells said that is what you call an "undercover police informer."

Antioch's anti-shoplifting campaign paid off last week when a 21-year-old Trevor woman was caught in a local

store putting a \$19.76 bikini top and bottom in her purse.

She was detained by the store manager until police arrived. The woman posted bond and has an Aug. 18 court date in Fox Lake.

We are fed up with the leniency of the judicial system but, gee whiz, judge, the temperature was in the 90s.

Maybe she should have put the bikini on, and nobody would have noticed her as she walked out of the store.

Considering that bills make up the major portion of our mail, what difference does it make if it takes two extra days to get to you?

Conscience is that inner voice that warns us somebody may be looking.

CHAMPION RECEIVES TROPHY - John Roach (right), who shot a 71 at the Antioch Democratic Club's golf day last Wednesday, receives a beautiful clock-trophy from chairman Frank ReCupido. Lake County Clerk Grace Mary Stern is at the left. Roach played Antioch Country Club in 39-32. His 32 on the back nine could have been a 29 except that he missed two short putts and had a water-hazard penalty.

DEMOCRATIC CANDIDATES for the fall election gathered for the golf day banquet at Antioch Country Club last Wednesday. The tall man in the center is State Rep. Dan Pierce and at his right is Hub Stern, chairman of the Lake County Democratic Central committee, who was honored at the banquet. Second from left is Martha Murphy of Corbin Travel, secretary of the Antioch Township Democratic club.

Entries Coming In For Antioch Open

Four more golfers have entered the Antioch Open men's championship to be played Aug. 22 and 29 at the Antioch Country Club.

Three of them will compete in the championship flight, for players who shoot in the 70s. They are Jack Fields, Cliff Houghton and Jack Jorgensen.

Tom Lasco has entered Class A, for golfers who shoot in the 80s. There also is a Class B flight for players whose average score is 90 or over.

Although their entries haven't been received yet, Rich Higgins plans to play in the champion-

being put in various business establishments in the two communities.

A blank also appears in today's Antioch News.

The tournament is restricted to male golfers 16 years of age and over who either live or work in the townships of Antioch and Lake Villa.

It is the area's first championship tournament, with players competing without handicaps.

The deadline for entries is Thursday, Aug. 12, but golfers wishing riding carts should make their reservations as soon as possible.

3 Accidents, Zion Man Killed

A 42-year-old Highland Park man, Gerald A. Gitle, was hurt Saturday in a two-car crash on Rt. 173, west of Antioch at Clubhouse Rd.

He was treated at the Highland Park hospital.

Sheriff's deputies said Gitle was driving east on Rt. 173 when his auto left the road and hit a car driven by Henry R. Kaht, 43, of Bayview Drive, who was stopped at Clubhouse Rd.

The impact sent both cars into a 10-foot ditch.

Gitle was charged with reckless driving.

A ZION MAN was fatally injured Saturday when two cars collided near Antioch.

The victim, James A. Bowles, 31, lived for more than five hours before he died of head and internal injuries in St. Therese Hospital, Waukegan.

State Police said Bowles' automobile went out of control as he traveled east on Rt. 173 and struck a car broadside that was driven west by Stewart J. Richards, 36, of Antioch.

A Lake coroner's jury will investigate the death.

John F. Schoknecht, 23, and his wife, Judy, 22, of Waukegan, were injured Saturday when their motorcycle went out of control on Grass Lake Road, east of Antioch, and veered off the road. Both were treated in Waukegan.

Elegance Stressed In Dinettes

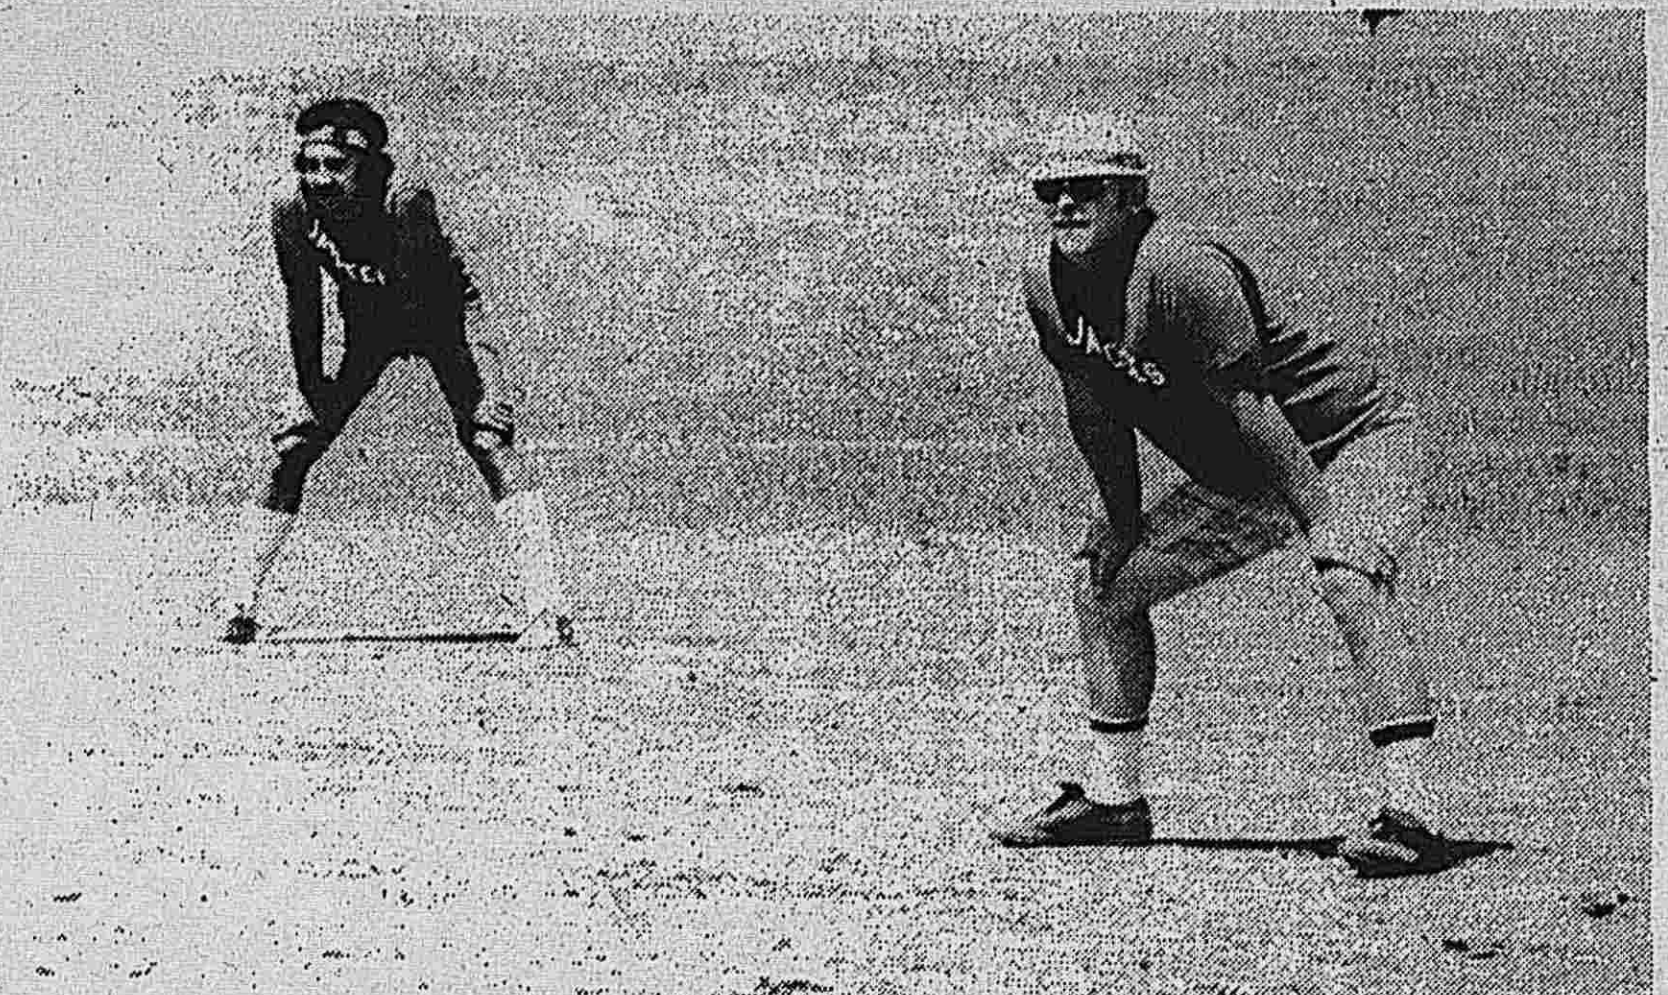

Chicago (NFS) — Casual elegance, with equal emphasis on convenience and comfort, is the keynote of new designs in metal dining furniture.

"Though still categorized as 'dinettes' in furniture trade lingo, more metal sets are in fact selected for living-dining rooms and family rooms than for kitchen dinettes," noted Barbara Brody, style consultant for the B. Brody Seating Company, Chicago.

"Whether your objective is to save space or simply to give your home a bright, contemporary look, today's designs in metal will rate serious consideration," she suggested.

ONE PROMISING new candidate is a 42-inch round table in sparkling glass and gleaming chrome, created for Brody's trend-setting Avante collection. The table top is a half-inch thick circle of polished plate glass, while intersecting squares of rounded chrome tubing form a sculpture-like base.

Companion chairs echo the see-through look with molded clear acrylic backs anchored on chrome-finished frames. Welt-edged seat cushions and back pillows, held in place by chrome buttons, are covered in Western Russet fabric-supported vinyl.

Racers Tangle At Waukegan

Bill Klein of Burlington, Wis., won the 25-lap super-modified feature race Sunday night at the Waukegan Speedway.

It was Klein's second feature win on the Waukegan quarter-mile.

The yellow flag came out in the 4th lap when Ken Monroe, Bob Robel and Jim Moulis tangled in the third turn.

Robel, who had set fast time and won the second heat, was unable to continue. Monroe restarted only to spin out a few laps later.

Other than a brief problem with a lapped car, Klein cruised home to the win. Jimmy Hedges, winner of the trophy dash, finished second after a close race with Rick Lemanski.

The hobby stock feature saw one of the closest finishes ever at Waukegan as Larry Cash drove his smoking Plymouth Barracuda to victory by less than a foot over point-leader Mike Simon.

Next Sunday night the modifieds will run in twin 25-lap mid-season championship races.

GEORGE DUKAS of Zion scored his first feature win of the season Saturday night in the

late model stock car races at Waukegan by beating point-leader Bob Dotter by one car-length.

The night was marked with close competition and several

12-0 Record For Angels

The Angels defeated the Astros 10-3 last Friday in the championship game of Antioch's Minor League baseball program.

The Angels, managed by Ace Mueller, had topped the American Division with an 11-0 record. They were followed by the Brewers with 7-4, the A's 6-5, the Indians 4-7 and the Rangers 3-8.

Manager Bob Weber's Astros had won the National Division title with an 8-3 record. They were followed by the Giants and Braves with 6-5 records, the Expos with 4-7 and the Reds with 0-11.

All members of the Angels and Astros teams will be honored at an awards night in September.

Annual Swim-A-Thon Coming Up Aug. 11

The Antioch Lions Club will hold its annual Swim-A-Thon Wednesday, Aug. 11, for the benefit of the Aqua Center.

Local swimmers will be going around town seeking sponsors. They will seek pledges of money for each length of the pool they swim on Aug. 11.

Family, friends, neighbors and businessmen will sponsor the swimmers, as in past years.

The swimmers who raise the most money will win prizes. First prize is a 5-speed bicycle, second a cassette tape player and recorder, third a portable phonograph, fourth a camera and fifth a portable transistor radio.

The swimming will last from 12 noon until 10 p.m. on Aug. 11. The nearby refreshment stand will be open so that swimmers and rooters can keep up their strength.

sensational accidents.

Dukas set fast time after installing a new American Tool and Engineering engine in his No. 64 Camaro Saturday afternoon, but in the trophy dash he clipped leader Roy Acuff when Acuff spun in the final lap.

Dukas, who was celebrating his 13th wedding anniversary Saturday night, had the rear end ripped from under his car and extensive repairs were needed before he was able to start the feature.

Dukas came from his 10th place starting berth in the feature to pass early leader Acuff in the 10th lap, with Dotter close behind. In the 13th lap Dukas was nearly eliminated as a lapped car cut in front of him, crunching his front bumper and grille.

The yellow flag came out in the 16th lap when Phil Mass, who was running third spun in the second turn taking fourth place Acuff with him. On the restart the throttle stuck on Ron Parker's blue Camaro and he sailed into the wall at full speed and came to rest on top of it.

Fred Beach won the hobby stock dash. In the third hobby stock heat race Mike Frost of Zion hit the backstretch wall, sending his Chevy II rolling over. He was not hurt.

THIS SATURDAY night the Waukegan Speedway will run its Pepsi-Cola championship races for late model stock cars, with a 50-lap feature topping the card.

That program will be followed on Sunday night with the mid-season championship races for super-modifieds in twin 25-lap contests.

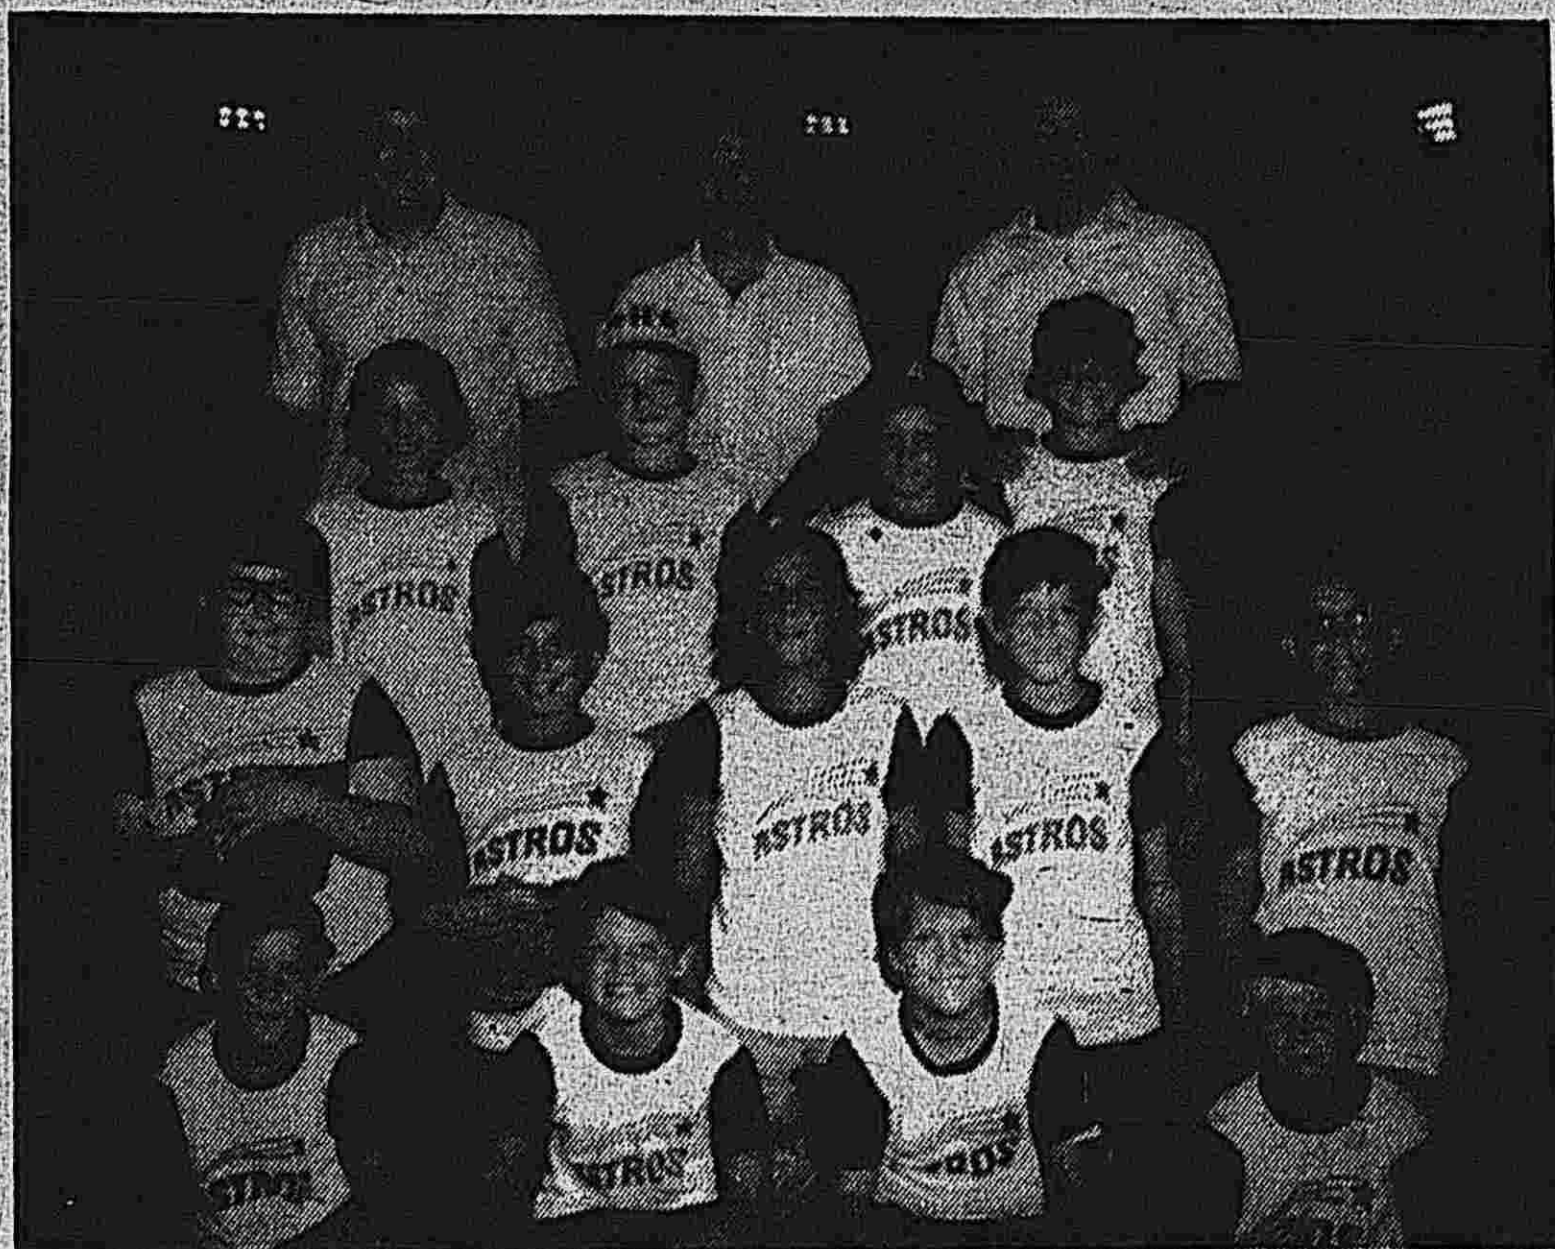

The participants in the Swim-A-Thon last year raised \$2,700.

"I am convinced that if we all pitched in this year ... to help the children ... we could double that amount," said Tom Haviland, chairman of the event.

"This year, more than ever before, we would like members themselves to swim," he added. "Encourage your own children and their friends to come out and earn those pledges!"

THE "UNBEATABLE ANGELS" won Antioch's Minor League baseball championship with 12 straight wins. Bottom row from left: Roger Leaf, Mike Gliniewicz, Larry Wegel, Steve Monte, Matt Gall and Dwayne Kellor. Second row from left: Ed Korando, Kirk Vogt, Brad Korando, Jeff Leaf and Matt Armstrong. Third row: Mike Leaf, Joe Gliniewicz, Dale Kellor and Steve Mueller. Adrian Mueller was manager, and Ron Vogt, coach.

THE ASTROS WON the Minor League National Division title but lost to the Angels in the championship playoff. Front row: Pat Mercer, David Wright, Norman Muelleman Jr., Scott Ranney. Second row: Matt Boarini, Bert Lama, Tom Risch, Randy Mowen, Bob Rimer. Third row: Nick Sciortino, Mike Jones, Stan Kulligowski, Matt Weber. Top row: Manager Bob Weber and Coaches Bud Rimer and Norman Muelleman Sr. Absent from picture: David Schroeder.

Swim Meet Here Sunday

The Antioch "Seals" swim team, sponsored by the State Bank, will perform Sunday in their annual invitational meet.

The event, which starts at 9 a.m. at the Aqua Center, will be part of the Lions Club's Farmers Picnic in Williams Park. Opponents will be Brentwood, Kenosha Recreation, Libertyville Swim Club and Waukegan Belvidere.

Next Tuesday at 5:30 p.m., members of the Antioch team will dive into their home pool for their annual "record breaker" meet and end-of-season party.

THE "SEALS" finished third last Saturday in the seven-team North Suburban conference championships at Lake Forest.

Antioch had a disappointingly slow start, but rallied to finish with 188 points. Plum Grove won with 278, followed by Brentwood with 204. Lake Forest had 140 for fourth place.

Antioch's team set four conference records. The 200-meter freestyle relay team finished the day with a thrilling, come-from-behind win, triumphing by inches.

THE EVENT was for four swimmers whose total ages did not exceed 48. Shelly Volling, Craig White, Sue Harrison and John Schmidt competed for Antioch, and John overtook Plum Grove's leading swimmer just at the finish with a time of 2:09.43.

Shelly Volling broke team-

mate Jean Cilik's year-old record in the 25 meter butterfly for swimmers 12 years and under. Her time was 15.97 seconds.

Ted White set a record of 15.74 for boys in the same event, breaking teammate John Schmidt's record.

George Bessette swam the 110-meter individual medley and smashed the record by three seconds with 1:20.30.

Lisa Dunn, swimming in the 25 meter breaststroke for girls 10 and under, set a record of 20.89 seconds.

Other Antioch winners were Phil Jaworek in the 50 meter backstroke, Jean Cilik in the 50 meter breaststroke and Lisa Dunn in the 25 meter butterfly.

Along the way with ANNIE MAE

All of us were saddened to hear that Floyd Lubeno passed away recently in Hayward, Wis. Floyd and his wife, Francis, were well-known in the Antioch area.

Floyd worked for the Kenosha County highway department and Fran worked 20 years for Helen Borovicka at Reeves Drug Store on Antioch's Main St.

The Lubenos sold their beautiful home in Trevor, near Rock Lake, in the past year and moved up to Hayward.

WE HAVE some happy birthday wishes to extend. First of all, a belated first birthday to little Daniel Yanka, whose parents Sue and Bob, and 4-year-old sister Janie Marie, helped Daniel celebrate.

Nick Badame will celebrate being another year younger on Friday, and Bernie Gutowski's birthday is Saturday. Bernie has served the community extremely well as head of the Little League baseball program.

Lee Ipsen just had another birthday. Imagine being 42 years old and already having four grandchildren?

THE CHILDREN of Mr. and Mrs. James W. McMillen of Antioch are planning an open house to celebrate their parents' 50th wedding anniversary.

The gathering will be held from 2 to 6 p.m. on Sunday, Aug. 15, at the home of Mr. and Mrs. John Kakacek, who live off Trevor Rd.

Jim and Phyllis McMillen have to be two of Antioch's favorite people. Jim, a former sports star and mayor of Antioch, was honored last fall at Antioch High's opening football game. He also gave one of the wittiest talks we've heard in years when he was the guest speaker at the community's 1976 Bicentennial dedication day.

Phyllis, of course, is constantly charming audiences with her fascinating historical fashion shows.

WE CAN'T forget two other important occasions to celebrate. Both Jim Knigge and Jim North will have birthdays on Friday.

THE REPUBLICAN candidate for governor, James R. Thompson, will visit the Lake County Fair tonight (Wednesday) at Grayslake. Thompson is scheduled to be at the fairgrounds from 6 to 10 p.m.

Doctors A. A. Bucar and J. W. Kopriva, directors and instigators of Antioch's Bicentennial program, "Colonial Capers '76" are calling for your arms, hands, legs, feet, voices and bodies. YOU are needed to make this show an even greater success than it promises to be.

BARB CORBIN

A big worry about signing up for any reduced-fare flight, OTC, APEX, excursion, charter, etc. is the possibility of losing all or part of your money in case you're forced to cancel the trip at the last minute.

Most often these special fares have to be paid in advance by about two or three months. This worry can be alleviated by low-priced travel insurance which covers penalties for air or cruise fare, land arrangements, hotels, etc.

When signing up for a special rate package, be sure and ask the travel agent about this added protection. We the travel agent are in business to protect your travel investments, so do not hesitate to ask questions and ask for help.

OF POSSIBLE assistance to all travelers, especially those with any sort of medical problem, is the International Association of Medical Assistance to Travelers, 350 Fifth Avenue, Suite 5620, New York, New York 10001.

This is a non-profit worldwide association of English speaking doctors. Travelers who pay no membership fee but are asked for tax deductible donations receive a directory of their centers in 450 cities throughout 150 countries, immunization and world climate charts, and a traveler clinical record to assure continuity of medical care. This might be of great interest and reassurance for those of you who like to travel but have a medical problem.

Anyone can travel today; one doesn't have to stay home just because of health.

A philosopher once said, "He who never leaves his country is full of prejudices!" Our office should be the first stop and the most important one because here is where everything you need to make your trip pleasurable and worry-free can be arranged for you. It means a tremendous saving in time, effort and travel without worry. Stop in or phone us soon.

Corrections In Assessment Roll By The Lake County Board Of Review For 1975

Pursuant to Sec. 109 of the Revenue Act of 1939 as amended, the following is a list of the changes in the assessment of Real and Personal Property for the year 1975 as authorized by the Lake County Board of Review for ANTIOCH Township properties.

These property values were further adjusted by a factor of 1.5185 for Real Estate and 1.4851 for Personal Property values.

These values are also subject to adjustment by the State of Illinois Department of Local Government Affairs equalization factor.

This publication does not reflect reductions for Homestead Exemptions nor Veteran's Exemptions.

Note that land values and improvement values appear separately and should be added together to arrive at a total assessed value.

SPORTSMAN'S CORNER

The state conservation department has announced that it will receive a five-acre site from the village of Antioch for development as a rearing pond for northern pike production.

Conservation Director Tony Dean said that, in addition, the village has agreed to do the construction and planting work for the site conversion.

Work is expected to be completed this fall, enabling biologists to begin raising fish next spring. Either breeder stock or fry-size fish will be placed in the pond. When the fry or breeder offspring have been reared to a 'non-vulnerable' size - six to eight inches - they'll be released into the Chain of Lakes.

Dean hailed the agreement with Antioch as "the first of its kind in the state's history and an outstanding example of what can be accomplished through voluntary cooperation between state and local governments for

the benefit of the taxpayers we both serve."

According to Dean, commercial landfiling of a flood plain in the village began 10 years ago, resulting in the isolation of habitat which had been a northern pike reproduction area. In 1973-74, Antioch officials required the landfill operator to set aside 17 acres for "compensatory water storage" as a condition for continuation of his operation. The conservation department has been given exclusive use of a portion of that storage area for a minimum of 10 years. The pond will be created by damming the creek which traverses the site.

WHILE MOST anglers fished for largemouth at Deep Lake in

the Chain of Lakes last week, crappie action was tops, and stringers of 100 were common.

Bass also got good ratings, however. Northern pike received fair marks, but bluegill fishing was slow.

league's Medics, the National Division's first place team. They defeated the American Division champs, the State Bank, 5-0 and 7-3.

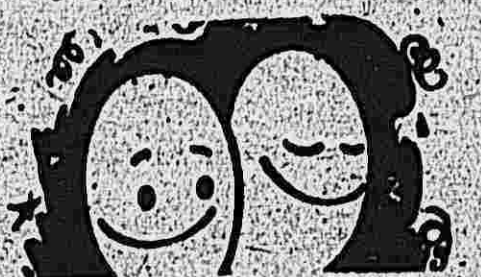

The Medics are managed by Ivan Blanchette and coached by Kenn Rosenbrock. Pitching for the Medics on Saturday was Scott Gallagher and on Sunday it was Dave Gutowski.

Get well wishes to Lori Haling, who is home recuperating from a serious accident.

The Antioch Fire Department held its picnic at Williams Park on Sunday. Highlight of the afternoon was a softball game. The team of Scotty Lowe lost 12-6 and Ken Mazzuca, rookie

fireman, was the only one to hit a home run for the losers.

Dennis Volling was captain of the winning team. No broken bones, which means they are really getting professional.

The Antioch News hopes you have a happy day.

Last Track Meet Of Season

The Antioch Park District will hold its final track and field meet of the summer next Tuesday from 6 to 8 p.m. at the high school field.

Richard Harland, meet director, said he is hoping for a big turnout to finish this season in fine style and set the stage for more track competition in 1977.

Harland said winners will receive trophies. Other high finishers will be awarded ribbons.

The races, jumping and throwing events are open to all athletes, even those as young as third graders.

Winners of two or more events in the last park district meet, held July 20, were Lore Noethling, Andrew Biel, John Dugenske, Helene Noethling, Dawn Flaschner, Nancy Harland, Jennifer Biel and Alan Ware.

Letter

Praises Local Fire Fighters

Mayor Robert C. Wilton
Antioch, Illinois

On Sunday afternoon, June 27, my wife and I were entertaining eight firemen from the Antioch Fire Department, and several of their wives. About 2:30 p.m. a signal was heard from their pagers. In a FLASH all of the men took off in three different directions (one was a neighbor who ran across the backyard to his place). These men moved so fast, it left me dumbfounded.

Being comparatively new in the Antioch area, I was truly impressed.

If this is an indication of the devotion and dedication of these men to duty, we, in this area, are very fortunate indeed!

Sincerely,
Lawrence O. Stumpf

Bears on TV Saturday

A trip to Denver kicks off an attractive exhibition schedule for the Chicago Bears as they visit the Denver Broncos in the first of six pre-season Bears contests to be broadcast on WBBM-TV, Channel 2. The action will take place on Saturday, beginning at 9 p.m.

Brent Musburger will call the play by play, and Channel 2's Johnny Morris will provide the color commentary for the live broadcast from the Mile High Stadium in Denver, Colorado.

Coach Jack Pardee's second Chicago Bear squad may be an NFL surprise this season.

Last year, the Bears dominated the "Rookie of the Year" team with four selections. Roger Stillwell, Noah Jackson, Jeff Sevy and Mike Hartenstein all demonstrated ability and potential. Walter Payton, another outstanding rookie, led the league in kick-off returns.

Bob Avellini, the starting quarterback at the close of last season, teased fans with a style that he promises to deliver again. Many look to him as the emerging team leader.

OBITUARIES

Anna Bliss Dies at 92

Mrs. Anna L. Bliss, 92, of Seattle, Wash., passed away on Tuesday, July 20, at the Arden Nursing Home in North Seattle, Wash.

She was born Apr. 13, 1884, in West Milgrove, Ohio, and has resided in Ochelata, Bartlesville, Oklahoma, Ohio and Indiana before living in Silver Lake, Wis., from 1941 to 1967. Since then she has resided in Arizona and Washington.

She was a member of the Methodist Church and formerly had been a school teacher.

She married James F. Bliss on Dec. 14, 1904 in Wayne, Ohio and was preceded in death by her husband on Nov. 29, 1962.

Survivors are three sons and two daughters.

Funeral services were held at 1:30 p.m. July 23 at the Strang Funeral Home in Antioch. Rev. Stephen Williams of the Antioch United Methodist Church officiated. Interment was in Salem Mound Cemetery at Silver Lake.

Salem Man Dies of Heart Attack

Mr. Gilbert Haisma Jr., 59, of Salem, Wis., passed away suddenly last Saturday at Kenosha Memorial Hospital from a heart attack.

He was born June 5, 1917, in Waukegan and had resided in the Gurnee and Antioch areas before moving to Salem 23 years ago.

He was a farmer by occupation and belonged to the Pure Milk Association. Mr. Haisma also served as Salem Township Supervisor.

He served in the U.S. Army during World War II. He married Janet Ellis on Aug. 12, 1944, in Mineral Springs, Tex. He was preceded in death by one brother, Harry Haisma.

Survivors are his wife, Janet, a son, Gil (Nancy) Haisma (McHenry), and four daughters, Mrs. Jane (James) Casey (Waukegan); Mrs. Margaret (Edward) Gorden (Salem); Mrs. Donna (George) Olsen (Salem) and Miss Laura Haisma (Salem).

Funeral services were held Tuesday at the Strang Funeral home in Antioch. Rev. W. Gene Campbell of the Silver Lake Community Baptist Church officiated. Interment was at Warren Cemetery near Gurnee.

Memorials can be made to the Salem Rescue Squad in memory of Mr. Haisma.

New Senior Center Opens Next Monday

The grand opening of the new Antioch Senior Center will be held next Monday from 10:30 a.m. to 2:30 p.m.

The senior "Fun, Food, and Friendship Center" is located in the Scout House at 741 Main St.

Games, prizes, music and singing will complement the chicken dinner served in the senior nutrition program.

Planning opening day activities are: Lena Message, Cecelia Rodney, Helen and LeRoy Hoff, Elvie Hagen, John Brennen, Estell Gatch, Romona Pyzyna and George and Ann Gialds. Concertina music will be played.

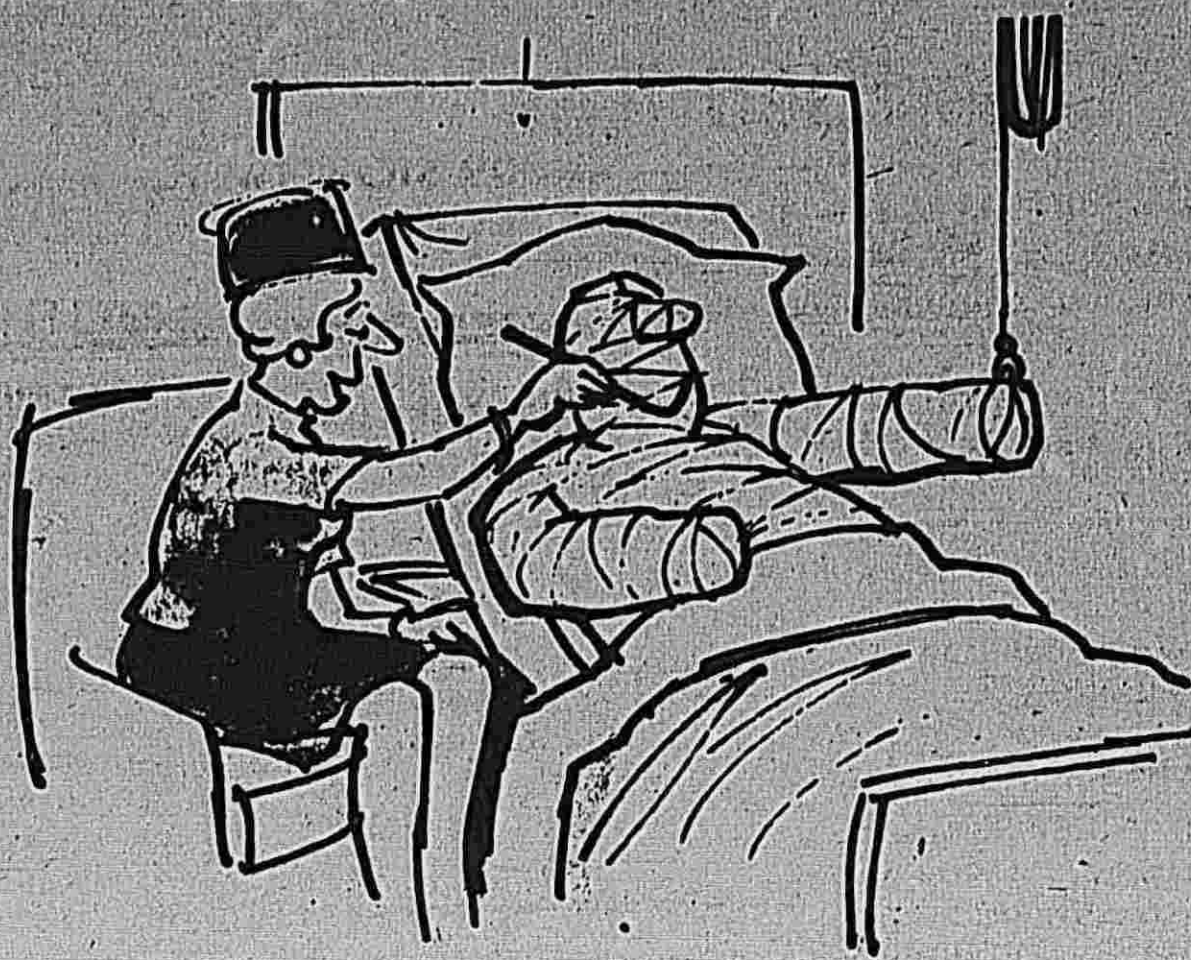

The center will be open every Monday, Wednesday and Friday from 10:30 to 2:30. A nutritious meal will be served from 12:00 to 1:00.

The center will offer social, recreational and educational programs and health services,

depending upon the needs and efforts of the participants. Volunteers will plan and operate the center under the direction of a paid coordinator.

The center is sponsored by the Lake County Council for Seniors and is a program of Catholic Charities of Lake County. The village of Antioch is donating the rent, utilities and partial maintenance as a service to seniors. Other community contributions are being requested.

The center is to serve all seniors over age 60. There are no residence, religious or income requirements.
